## LEAGUE PLAY DATE CHANGES

On March 17, there was a general membership meeting of the league. There was a great deal of discussion on whether to continue to have League nights on Thursday nights or to change the League's. The membership

voted to change our league's play to Saturday (s) at 9am. Be sure to be there 1/2 hour early to be ready to go. Make-up days are permitted during the week, so long as play is with another league member.
